

Department of Electrical and Electronics Engineering

“MOU with RMJ Automation Solutions and Training Pvt Ltd”

ATME College of Engineering signed an MOU with **RMJ Automation Solutions and Training Pvt Ltd**, Mysuru on 19th August, 2017.

Dr. L Basavaraj, Principal, ATME College of Engineering, said the fast changing technological scenario poses to the department, a challenge, for continuously updating of state-of-the-art education to the students. He congratulated the department for initiating such activity.

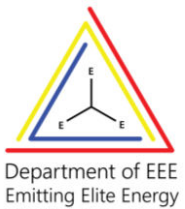

Dr.Parthasarathy L, Head, Department of EEE said the objectives of training was to make students competent enough to take on real time application work in the field of Industrial Automation that involves PLC, SCADA & Drives. This is intended to support students for good and greater job opportunities and also to reduce the gap between Industries and Engineering Institution. He further said VTU has introduced Sensors and Transducers for 5th semester students, which incidentally will cover in the practical training module as well.
