

Report of**QUIZ ON “NATIONAL TECHNOLOGY DAY”**

Date : 11th May 2022
Time : 04.30 PM
Location : ATME College of Engineering, Mysuru.
Mode : Online

Institutions Innovation Council – ATMECE has organised a Quiz contest on “National Technology Day” for the students of ATME College of engineering on 11th May 2022.

The day, which was first observed on 11th May 1999, aims to commemorate the scientific and technological achievements of Indian scientists, engineers. The day was named by the former Prime Minister Atal Bihari Vajpayee. Every year, the Technology Development Board of India (a statutory body under the Ministry of Science and Technology) celebrates the day by awarding individuals with the National Award for their contribution to science and technology in India. The focus this year is ‘Integrated Approach in Science & Technology for Sustainable Future’.

It is the day India successfully tested nuclear bombs in Pokhran on 11th May 1998. India successfully test-fired its Shakti-1 nuclear missile in operation called Pokhran-II, also codenamed as Operation Shakti. The nuclear missile was tested at the Indian Army's Pokhran Test Range in Rajasthan. This was the second test which was conducted after Pokhran-I codenamed Operation Smiling Buddha, in May 1974. On the same day, India performed a successful test firing of the Trishul Missile (surface to air short range missile) and had test flown the first indigenous aircraft – ‘Hansa – 3’.

On the occasion IIC decided to conduct Quiz to bring awareness for the students on National Technology Day and certificates are provided for the participants who score above 80%.
