PROTOTYPING”****Date** : 18<sup>th</sup> August 2022**Location** : KEONICS, 27th Main Rd, HSR Layout, Bengaluru, Karnataka 560102

Institutions Innovation Council – ATMECE has organised an Exposure Visit to “Reserve Bank of Innovation Hub: Process Prototyping” for the IIC Members of the institution on 18<sup>th</sup> August 2022.

The Reserve Bank Innovation Hub is a wholly owned subsidiary of the Reserve Bank of India (RBI) set-up to promote and facilitate an environment that accelerates innovation across the financial sector. RBIH would create internal capabilities by building applied research and expertise in the latest technology. The hub will collaborate with financial sector institutions, policy bodies, the technology industry, and academic institutions and coordinate efforts for exchange of ideas and development of prototypes related to financial innovations.

What RBIH does is

1. RBIH will provide the platform to anchor a shared vision among all financial ecosystem stakeholders and aid them in crafting forward-looking innovation strategies while addressing the most pressing issues in the Indian financial sector.
2. RBIH will serve as a focal point to position India as a global innovation hub for a network of financial services providers, fintech innovation hubs, policymakers, technologists, academia, and the investor community.
3. RBIH will identify challenges in the Indian financial system by building applied research and extensive stakeholder consultation. Furthermore, we aim to address these challenges by ideating and piloting collaborative solutions that leverage the power of technology.
