
Report of**Session On: ACCELERATORS INCUBATION – OPPORTUNITIES FOR
STUDENTS & FACULTIES – EARLY-STAGE ENTREPRENEURS**

Resource Person : Dr. Muralidhar Reddy
Date : 22nd July 2022
Time : 02.00 PM
Location : ATME College of Engineering, Mysuru.
Mode : Offline

Institutions Innovation Council – ATMECE has organised a session on “Accelerators Incubation – Opportunities for Students & Faculties – Early-Stage Entrepreneurs” for the students of the institution and faculties on 22nd July 2022.

Dr. Muralidhar Reddy, Associate Professor, Cambridge Institute of Technology was invited as the keynote speaker.

Accelerators “accelerate” growth of an existing company, while incubators “incubate” disruptive ideas with the hope of building out a business model and company. So, accelerators focus on scaling a business while incubators are often more focused on innovation.

The session aimed to motivate the students and faculties to take the advantage of available resources from Incubation centres and plan to start up their business ideas. The terms “accelerator” and “incubator” are often assumed to represent the same concept. However, there are a few key distinctions that first-time founders should be aware of if they are planning on signing up.

The session witnessed the active participation of around 50 students. The session was concluded with a Q&A session
