

Report of
Panel Discussion with INNOVATION AND START – UP
ECOSYSTEM ENABLERS

Date : 22nd July 2022
Time : 02.00 PM
Location : ATME College of Engineering, Mysuru.
Mode : Offline

Institutions Innovation Council – ATMECE has organised a panel discussion on “Innovation and Start-Up Ecosystem Enablers” with the IIC members of the institution on 22nd July 2022. Dr. Yathisha L, DEAN Student Affairs, ATME College of Engineering was also present in the discussion.

An innovation ecosystem refers to a loosely interconnected network of companies and other entities that coevolve capabilities around a shared set of technologies, knowledge, or skills, and work cooperatively and competitively to develop new products and services. Also, it was discussed on Ecosystem enablers work with start-ups and facilitate the growth of the innovation ecosystem. Some examples of ecosystem enablers are trade organizations, incubators, accelerators, start-up event companies, etc.

It was concluded in the discussion about bringing the awareness for the students by conducting the events and encouraging them to become innovators. Further it was also discussed that the required help to the students regarding their future work should also be done from the IIC
