

DEPARTMENT OF CIVIL ENGINEERING

REPORT ON “INDUSTRY VISIT TO KRS DAM”

On 20th June 2023, the 6th semester students of Civil Engineering Department, ATMECE were brought out of their routine classes to be taken for an Industrial Visit to Krishna Raja Sagara Dam, Mysore. Krishna Raja Sagara, also popularly known as KRS, is the name of both a lake and the dam that creates it. It is located close to the settlement of Krishnarajasagara. The dam is across Kaveri River, in Mandya District near Mysore in Karnataka state, India. There is an ornamental garden attached to the dam, called Brindavan Gardens. The students were accompanied by Mr. Rudresh A N, Mrs. Bharathi B and Mrs. Jyothi D N.

On reaching the destination, students were allowed on an exclusive entry onto the pathway over the dam paving over 2.5 km. Mr. Sharath P R, Assistant Engineer, KRS, explained the working of the opening and closing of the flood gates and their mechanisms were explained in detail.
