KABADDI CHAMPIONSHIP 2023 REPORT

The Inter-Collegiate Kabaddi Tournament, inaugurated by Prof. L Basavaraj, Principal and Dr. Sachindanda Murthy, AO, along with other distinguished guests, graced the occasion, was a resounding success. The event not only provided a platform for healthy competition but also fostered camaraderie and sportsmanship among the participants. The intercollegiate Kabaddi tournament successfully provided a platform for collegiate athletes to showcase their skills and passion for the sport. It fostered healthy competition, promoted camaraderie, and brought together the wider college community. The event will be remembered for its memorable matches, standout performances, and the spirit of sportsmanship displayed by all participants. The tournament's success serves as an inspiration for future sporting events, encouraging continued growth and development within the collegiate sports landscape.

As the tournament progresses, we look forward to witnessing exceptional displays of talent, teamwork, and determination from all the participating teams. May the best team emerge victorious, and may this tournament be remembered as a celebration of the beautiful game of volleyball. The organizing committee, sponsors, participants, and spectators deserve appreciation for making the event memorable and successful. The tournament left a lasting impression on everyone involved and served as a testament to the passion and talent present in collegiate Kabaddi Championship.

The Kabaddi Inter Collegiate Championship for Mysuru Region Engineering Colleges was held on **18th March 2023** at ATMECE, Mysuru. The tournament aimed to showcase the skills and sportsmanship of the engineering students from various engineering colleges in the region. The tournament followed a knockout format and 08 team fought against each other for the Kabaddi championship. The teams exhibited exceptional skills, teamwork, and determination throughout the championship.
