

ATME[®]

College of Engineering

ISO 9001:2015

A FIVE-DAY FDP ON Essentials of Sciences for Engineering & Research 2024

Organized by
Departments of Basic Sciences
(Physics, Chemistry & Mathematics)

Dates: From 26th Feb to 1st Mar 2024
Time: 9 AM to 4 PM

DISTINGUISHED SPEAKERS

Dr. Prabhu R

Assistant Professor, Dept., of Physics, IIT Dharwad,
Topic - Quantum Computing & Quantum Information

Dr. S P Basavaraju

Renowned Author, Professor (Rtd.),
Bangalore Institute of Technology, Bangalore
Topic - The Fascinating Story of How Quantum Mechanics

Dr. Chidanand D V

Associate Professor and Incharge IAC, IIFPT, Tanjavur.
Topic - Future of Millets

Dr Anbalagan K

Electronics Engineering Diploma,
Sr. Engineer, CFTRI, Mysore.
Topic - Microscopic Technique by SEM

Dr. Daruka Prasad. B.

Department of Physics, BMS Institute of Technology & Management, Bangalore
Topic - Material Characterization & UV Visible Spectroscopy

Dr. N. Bhaskar

Professor Department of Mathematics,
Vidyavardhaka College of Engineering,
Topic - Linear Algebra

Dr. Shivaprakash

Professor, Dept of E&CE, NMAMIT, Nitte.
Topic - Vector Space

Dr. Spoorthy H P

Assistant Professor, Department of Microbiology,
JSS College, Ooty Road, Mysuru
Topic - Technical Talk - Anti-Bacterial Activity

Dr. Avinash K

Assistant Professor, Department of Chemistry,
ATME College of Engineering
Topic - Hands-on-Experience Anti-Bacterial Activity

Dr. N Rajendra Prasad

Assistant Professor & IQAC Head,
JSS College, Ooty Road Mysuru
Topic - Pharmaceutical Sensors

Venue: ATME College of Engineering
