

Report on Covid-19 War Room Volunteering

Date: 16th May 2021 – 6th June 2021

In order to fight against Covid-19 Pandemic, during 2nd lockdown in Mysuru to serve the community a volunteering process has started from ATMECE NSS Unit. 5 student volunteers worked under Covid Tele-Care and Covid Mitra.

A team of three student volunteers worked for Covid Tele-Care where they collected feedbacks from the community and instructed Covid patients regarding use of medical kits distributed by the government.

A team of two student volunteers worked for Covid Mitra where they collecting patients details, guided patience in hospitals, ordering medicines, bringing health awareness among community, bed allotments, vital checks, door-to-door checks and organising vaccination camps
